

The background features three vertical bars on the left: a light red bar, a teal bar, and a light beige bar. On the right side, there are two rectangular areas containing a grid of small, light red dots. The top area is larger and more densely packed, while the bottom area is smaller and less dense.

# CSC-151

**Friday September 12**

**Fall 2025**

# AGENDA

**1. Announcements**

**2. Reading Review**

**3. Lab**

**4. Wrap-Up**

---

# ANNOUNCEMENTS

## Quiz 1

- Graded, and posted on Gradescope
- If you got 0, you can try a new problem next week (no token needed)
- Next week, Quiz 2:
  - Tracing
  - Conditionals
  - (Optional) Primitive Types
- There's a progress tracker on our website. (Demo?)

## Coding Challenges

- CCI was due last night
  - You can turn it in 48 hr. late with the use of a token
  - You must turn in a good faith effort in order to redo it in the future
- CC2 is out today
  - Remember to be careful with your browser history – don't clear your cookies/data
  - Firefox is recommended

See you at the picnic later today!

# READING REVIEW

**1** What is a predicate? What is a comparator? Give an example of each.

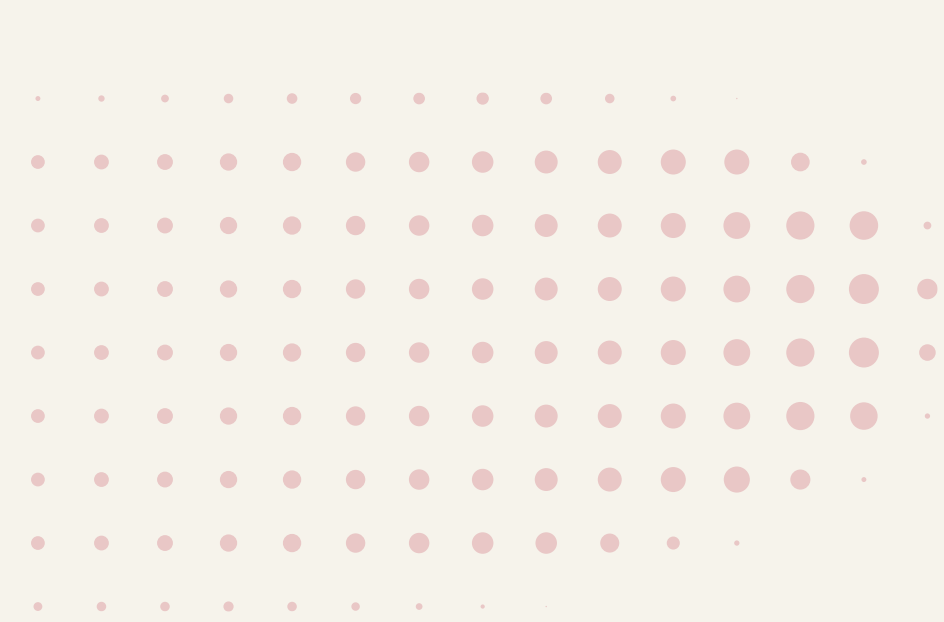

**2** Trace the execution of the following:

```
(and (number? 4) (odd? 4))  
(or (number? 4) (odd? 4))  
(cond  
  [(number? 4) "number"]  
  [(odd? 4) "odd"]  
  [else "Not sure"])
```

# Questions?

# LAB

# **DON'T FORGET...**

- **Start Coding Challenge 2**
- **Mentor Session Sunday**
- **See you at the picnic!**
