- *But get it in by tomorrow if you haven't yet!*

Coding Challenge 5 is out today

Coding Challenge 2 redo due Friday

Quiz Wednesday

No reading, no lab

You'll have the whole 80 minutes to take the quiz.

You can leave when you've finished.

New topics:

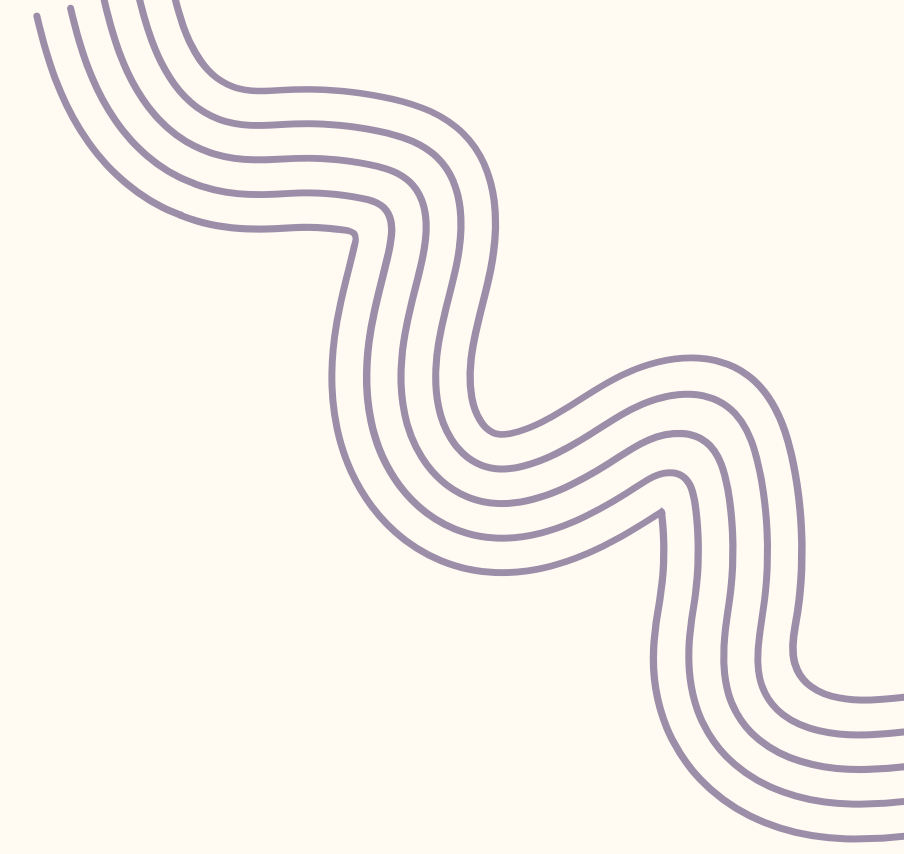

- Lambda-free anonymous procedures
- Testing

Upcoming Token Events

None?

Demo

Getting files into scamper is tricky, so let's take a look together.

Lab Notes

Stay focused, this is a challenge, but you can do it!

The text of the lab has lots of hints, make sure to read everything.

Upcoming & Reminders
