Homework 6

- Take some time to think about the questions

Q1 Positive Outcomes

1 Point

What do you think is going well for you in this course so far? Focus on outcomes that relate to your learning, your contributions to peers in class, or your graded work.

Please write at least four complete sentences.

Q2 Positive Actions

1 Point

What have you done well this semester that might account for the successes you've had so far? Focus on decisions, strategies, actions, etc. that are under your control.

Please write at least four complete sentences.

Lab

Wrap up

For next time:

- Reading posted on the website
- Think about Homework 6
